Brand Mail creation

Creating an email address involves several steps. Here's a step-by-step i explain to you, create a basic email address using a popular email service like Gmail:

Step 1: Choose an Email Service Provider

Decide which email service provider you want to use. Popular options include Gmail, Outlook (formerly Hotmail), Yahoo Mail, and many others. For this project we are use the Gmail.

Step 2: Visit the Email Service's Website

Go to the website of your chosen email service provider. In this case, go to the Gmail website (www.gmail.com).

Step 3: Click "Create Account" or "Sign Up"

Look for a button or link that says "Create Account" or "Sign Up." It's usually prominently displayed on the homepage. Click on it.

Step 4: Fill Out the Sign-Up Form

You'll be directed to a sign-up form. You'll typically be asked to provide the following information:

1) First Name and Last Name

First name is cafe maker second name is i dont put.

Username: This will be the first part of your email address (e.g., if you choose "myusername," your email will be "myusername@gmail.com").

- **Password:** Choose a strong password with a combination of letters, numbers, and symbols.
- **Confirm Password**
- **Date of Birth**
- **Gender (optional)**
- **Phone Number (for account recovery)**

Step 5: Review and Agree to the Terms of Service

Review the terms of service and privacy policy. Be sure to understand the service provider's policies. If you agree, check the box indicating your agreement.

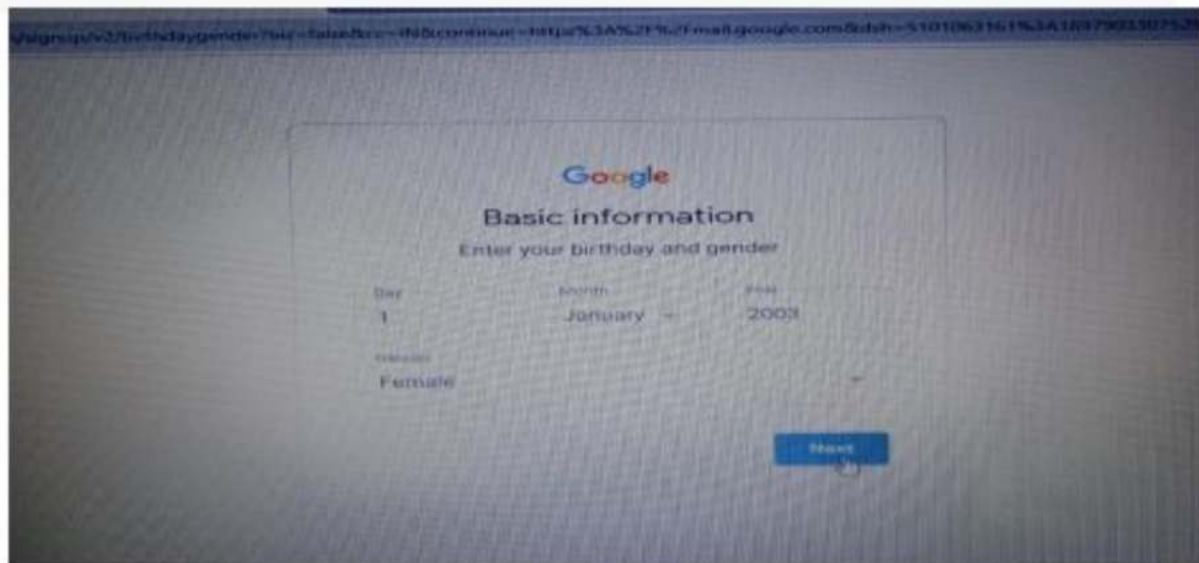

Step 6: Verify Your Phone Number

Some email services, like Gmail, may require you to verify your phone number by sending a code to it. Enter the code you receive in the space provided to verify your phone number.

Step 7: Complete the Setup

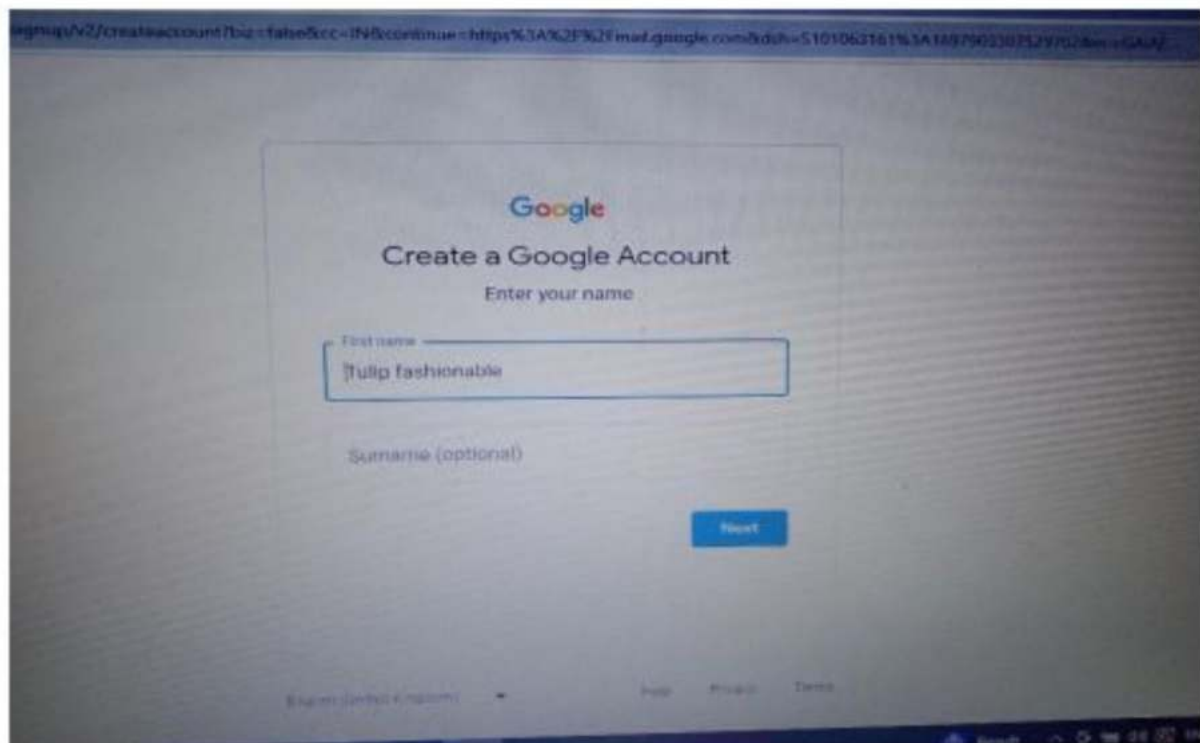

You'll often be prompted to customize your Google account, such as setting up a profile picture and adding a recovery email address. Follow the on-screen instructions to complete this part of the setup.

Step 8: Set Up Your Email Address

The screenshot shows the Google 'Basic information' setup screen. The Google logo is at the top, followed by the title 'Basic information' and the instruction 'Enter your birthday and gender'. There are three input fields: 'Day' with the value '1', 'Month' with the value 'January', and 'Year' with the value '2003'. Below these is a 'Gender' dropdown menu with 'Female' selected. A blue 'Next' button is at the bottom right.

After you've completed the setup, your email address is ready to use. Log in with your username and password to access your inbox and begin sending and receiving emails.
